They call me orange baby. Fake news, Fake news. They say my brain is missing. Fake news.
They say it's mad, but maybe. Fake news, Fake News They're mixing up my brains and hair.
They're stealing my election - Fake news, Fake news. They're calling me an asshole. Fake news.
They laugh at my complexion - Fake news, Fake news. I'll tell my mummy. It's not fair

They say that I'm a lecherous Lothario. But Italian is all Greek to me.
I'll paint a very different scenario. I'll save the world, you wait and see.

Cure coronavirus with a lightbulb, pal. Have a slug of bleach to make you well.
Well get it done by Friday at the latest, with a secret magic cure that we can sell.

Climate change is just a hoax from communists. How could global warming freeze our balls?
Don't worry 'bout the gasoline and factories. God has chosen me to save you all.
