D G(sus2) D G A D

That you're the magic spell__ that makes me whole.

I thought that I could never love again.
 Fifty ways to turn aside another lover.
 Five hundred more to keep me safe from pain.
 It took me far too long to find you and discover
 that broken hearts can heal and mend and learn to fly.
 That tears can wash the bitter wounds and soothe the soul.
 That love can grow where flowers fade and die.
 That you're the magic spell that makes me whole.

*You raise me up, you set me free, you let me fly.
 You kicked in my doors, you tore down my wall, you made me cry.
 What drew me to you? It's not hard to understand.
 But you took me close to heaven when you let me hold your hand.*

You're in my dreams, you're in my head, you're in my soul.
 You are my sunrise when you welcome in the dawn.
 And when I'm broken, your sweet loving makes me whole.
 You are a work of art, so beautifully drawn.
 You're in my bones, you're in my blood like holy wine.
 Your voice is singing sweet and softly in my dreams.
 You're in my heart and I am on the borderline.
 Between earth and heaven - that's the way it seems.

I love each little thing you say and do
 That look of love you give me makes me smile
 Your wanton look stirs up a need for you.
 You promise, you bewitch and you beguile.
 You are my gypsy, you're my angel, you're my friend.
 You're my lover, you're my precious guiding star.
 I'll be with you and I'll love you 'til the end.
 The place I need to be is where you are.

For Gill, who kicked open a well-padlocked set of doors ever without even breaking sweat!
